“Fabulous Fabrics: Basics and Beyond”

Thursday 11th January

A very comprehensive workshop for busy people who'd like to learn LOTS in a hurry! This program is a compilation of 'basics' and advanced techniques as seen in my magazine articles and featured on my DVDs.

“Fabulous Fabrics: Big and Beautiful”

Friday 12th January

The perfect workshop for quilters and textiles teachers to design large pieces of fabric for all sewing projects, and upcycle a garment or three as well. I'm delighted to offer as many of our new techniques as we can fit in a day.

“Understanding Fabric Art + Metallics and Pearls”

Saturday 13th January

A day of exploring the possibilities of working with our Flat paints and Liquid Lustres, from printing and stamping to stencilling and watercolours ... and lots more during a very busy day! These unique hand-made paints are soft to feel in the fabric, and totally washable and ironable

FREE DESIGN DAY

Sunday 14th January – free to attend – see heading ☺

Bring along your own projects – or explore topics from our previous four days of working together. I'll be here to help you with whatever you'd like to do of course! But there'll be no major new topics on this day.
OR you can simply have the day off. Your choice.

“Sensational Silk”

Monday 15th & Tuesday 16th January

Learn traditional silk painting skills that originated in Southern Europe over 500 years ago, but with the simplicity of modern techniques and paint technology as seen in my projects in Embellish magazines. Silk and scarves are provided for this wshop.

This workshop program will be repeated in May, from Wednesday 15th till Tuesday 21st.

An extra topic – “Advanced” – will be included on Friday 17th May, to help you expand skills from the first two days even further. Then topics will continue as for Saturday till Tuesday in this program.

'TO BRING' LIST is OVER THE PAGE.

Unable to attend the Hands-On programs? Check the “Events” page of my website for details of WEB WORKSHOPS via Zoom as well as my YouTube videos.

TO MAKE YOUR PLASTIC COVERED BOARDS

Making up the boards is usually something we do on the day during prep time, and takes about 15 to 20 minutes. For your workshop/s I'm aiming to fit in as much colouring prac as possible during our time together. Please prepare your boards BEFORE you arrive to save time on the day.

YOU WILL NEED:

Strong cardboard, masking tape
Scissors – not 'good' ones

HOW TO:

1. Slide the cardboard into the plastic bag.
2. Fold over the edges of the plastic as if wrapping a flat parcel.
3. Seal the edges of the folds with masking tape completely to make it waterproof.

I look forward to sharing our skills with you in this very comprehensive workshop program!
