“Safe, simple and sustainable techniques for fabric designing in the classroom”. This session has received high acclaim from all who attended it at National and State HEIA Conferences, and at Regional Workshops across Queensland in 2018. It is my pleasure to offer this program again in Toowoomba, as a bit of relief from the Covid restrictions, and help you make the most of your students' creativity.

Nothing to bring EXCEPT an old hand towel, and a piece of cardboard approx 30 x 40 cms to carry your work home.
