**TO MAKE YOUR PLASTIC COVERED BOARDS**

Making up the boards is usually something we do on the day during prep time, and takes about 15 to 20 minutes. For your workshop/s I'm aiming to fit in as much colouring prac as possible during our time together. Please prepare your boards BEFORE you arrive to save time on the day.

YOU WILL NEED:

Strong cardboard
Scissors – not 'good' ones
Masking tape

HOW TO:

1. Slide the cardboard into the plastic bag.
2. Fold over the edges of the plastic as if wrapping a flat parcel.
3. Seal the edges of the folds with masking tape completely to make it waterproof.

PLEASE WEAR: Comfortable old clothes, sandals or sneakers or joggers, and bring a hat.
