FINDING MY UNIT at MARCOL PLACE APARTMENTS ...

- Please use your GPS or street directory to find the address, 67 Hugh St, West End – I’ll need to do that too on arrival. (My ‘usual’ unit in Mundingburra is occupied with the owner’s daughter living there after her home was flood damaged.)
- My Marcol Place unit is the first one as you enter the property.
- There seems to be plenty of street parking close to the address. If parking on the property is available, I’ll let you know on arrival.
